Rogene Worley Middle School **Weekly Lesson Plan** **2015-2016 School Year**

Department: Science **Grade Level: 7** **Six Weeks: 3rd** **Week: 17** **Dates: Jan 5-8**

100% EVERY STUDENT EVERY DAY

	Monday	Tuesday	Wednesday
TEKS Dual Coding	**SE**	**SE 7.10A**	**SE 7.10C**
	Process Standard	**Process Standard**	**Process Standard**
Lesson Objective (WE will learn)		*We will observe and describe how different environments, including microhabitats in schoolyards and biomes, support different varieties of organisms.*	*We will observe, record, and describe the role of ecological succession.*
I will statement (Demonstration of learning)		I will complete a Biome Gallery Walk.	I will Take Ecological Succession Cornell Notes.
Purposeful Instructional Agenda	Student Holiday	• Biome Gallery Walk	• Ecological Succession Cornell Notes
	Homework:	**Homework:**	**Homework:**
Seed Question FSGPT		**What is a Biome?**	**What is ecological succession?**
AVID strategy	**Concept Mapping; Philosophical Chairs; Socratic Seminar; Cornell Notes; Critical Writing; Question Stems; Text Annotation**	**RoundRobin and RallyRobin**	
Kagan Strategy			**Cornell Notes**

	Thursday	Friday	Notes
TEKS Dual Coding	**SE 7.10BC**	**SE 7.10BC**	
	Process Standard	**Process Standard**	
Lesson Objective (WE will)	*We will describe how biodiversity contributes to the sustainability of an ecosystem; and observe, record, and describe the role of ecological succession.*	*We will describe how biodiversity contributes to the sustainability of an ecosystem; and observe, record, and describe the role of ecological succession.*	
I will statement (Demonstration of learning)	I will complete Ecological Succession and Biodiversity Stations	I will complete Ecological Succession and Biodiversity Stations	
Purposeful Instructional Agenda	• Ecological Succession and Biodiversity Stations. • Receive Semester Final Review	• Ecological Succession and Biodiversity Stations. • Semester Final Review	
	Homework: Begin working on Semester Final Review and studying.	**Homework: Work on Semester Final Review and studying.**	
Seed Question FSGPT
